As you consider tax wise ways of giving to Cal Poly, you may want to analyze the benefits of giving appreciated securities. Long-term appreciated stock (those held longer than 12 months) are particularly beneficial to give because you receive a charitable deduction for the full fair market value of the gift and, in addition, you avoid paying capital gains tax on the appreciation. A charitable income tax deduction is allowed for up to 30 percent of your adjusted gross income in the year of the gift. Any unused portion can be carried forward for up to an additional five years.

Note
Please inform Cal Poly Foundation before initiating a DTC transfer. Include information concerning security description, shares and transfer initiation date.

Important
Pursuant to Internal Revenue Service regulations, the effective date of the gift for valuation and charitable deduction purposes is the date the securities are transferred into the Foundation’s brokerage account. If the transfer needs to be made by a specific date, please allow sufficient time for the DTC transfer to take place.
EASY STEPS FOR TRANSFERRING SECURITIES
The rules for transferring securities, while not complicated, are strict. You will want to exercise care to assure that your stock transaction is completed correctly. The same rules apply to giving shares of a mutual fund. If you have any questions about the following instructions, please call Lisa Rockwell-Harpster, Director of Gift and Trust Administration for the Cal Poly Foundation, at 805-756-5577.

ESTABLISHING THE GIFT’S VALUE
The amount of your deduction depends on the value of the securities on the date the gift is completed. This date may be important for your tax planning, particularly at yearend.

The gift value of the securities is the average of their high and low prices on the date of the gift. For mutual fund shares, the net asset value (NAV) at the close of business on the date of the gift is used to establish the value of the gift.

FINAL NOTE
Gifts of appreciated securities are an excellent way to provide for the university, its students and programs. Such gifts can also be used to create planned gifts, which provide you (and your spouse) with an income for life. Our Planned Giving office would be delighted to talk with you and your advisors about how such life-income arrangements can be useful as part of your estate plan.
